Date: 27 May 2018

NO OBJECTION CERTIFICATE

Mr. Md. Mufakhkharul Islam son of late Md. Imamul Hussain, former Senior Scientific Officer, Bangladesh Agricultural Research Council (BARC) has requested to provide a *no objection certificate* from BARC vide his letter dated 09 January 2018. It is noted that Bangladesh Agricultural Research Council had sanctioned deputation to Mr. Islam for a period of 4 (four) years starting from January 01, 1984 under J-1 visa in order to enable him to pursue a Ph.D programme in Social Science at Purdue University, West Lafayette, Indiana, USA. But he failed to return back to Bangladesh in time and for that reason he was terminated from his job in December 1987. According to the bond signed with BARC, he already reimbursed his bonded financial requirements. Now he has no obligation with BARC. Hence, *no objection certificate* is issued in favour of Md. Mufakhkharul Islam.
