

The Asia Open Access (OA) Meeting will provide an opportunity to learn about global trends, share information across Asian countries, and help with local strategies for increasing the adoption of open access and open science in participating countries as well in Bangladesh. Participants can learn about the latest development related to the Confederation of Open Access Repositories (COAR) next generation repositories initiative and hear about the work being done in other countries in Asia and beyond.

The meeting will be organized by the Bangladesh Agricultural Research Council (BARC) in Dhaka, Bangladesh in Collaboration with Confederation of Open Access Repositories (COAR)

Registration is free!!! Register here <https://goo.gl/forms/Zq9qKbeRHMu3litB2>

This registration is valid only for Bangladesh.

Date: March 6-7, 2019

Location: Bangladesh Agricultural Research Centre (BARC), Farmgate, Dhaka
